# Trucking contractor did trail-lovers a favor

2-22-10

Editor,  
My husband and I would like to thank Nick Beltrami Trucking and Excavating for plowing out the entrance and parking lot to Rails To Trails.

Saturday afternoon, to go and do all of us trail lovers a big favor by opening up the lot. Many people and dogs, especially our sheepdog Charcoal, really enjoy getting out there and exercising. Thanks Nick!

After working round the clock from Tuesday Nick still had the time and energy late
